

INSTITUT DE FRANCE  
LEFOULON-DELALANDE FOUNDATION

**SCIENTIFIC GRAND PRIZE 2012**  
**CALL FOR NOMINATIONS**

Created in 2002, the Grand Prize will be given each year to a scientist who has made important contributions to cardiovascular physiology, biology, or medicine. Taken in the widest sense, these fields also include developmental biology, genetics, epidemiology, physiology, as well as clinical biology, imaging techniques, therapeutics, and the pharmacology of the cardiovascular system.

The Lefoulon-Delalande Grand Prize, of 500 000 euros, will be awarded in 2012.  
The following conditions will apply:

**Submission of the dossiers:** 16 copies of the dossier must be addressed to the President of the Scientific Council of the Lefoulon-Delalande Foundation, at the following address:

Président du Conseil Scientifique de la Fondation Lefoulon-Delalande  
Bureau des Fondations  
Institut de France  
23 quai de Conti  
75270 PARIS Cedex 06  
FRANCE

**Deadline for the reception of the dossiers:** January 27, 2012

**Date of award decision:** April 2, 2012

**Constitution of the dossier:**

- A nominating proposal by a distinguished scientist using the official form
- A curriculum vitae (1 page)
- A description of the scientific achievements of the candidate focusing especially on those contributions that deserve the Grand Prize (2 pages maximum)
- A list of 10 major publications
- Additional documents will not be taken into consideration

**Please note :**

1. The Institut de France requires that the nomination form be presented in both French and English.
2. A candidacy can only be accepted if :
  - The official nominating form, established by a distinguished scientist, has been duly completed
  - All required documents for establishing a dossier are included
3. A candidacy that was not selected in the previous years can be resubmitted provided that the project is updated and submitted preferably by a new distinguished scientist.
4. Members of the Institut de France are not eligible.
